

# KISAN

## Opportunity for Agriculture Students

KISAN.com is an online Agri community designed to connect farmers and agri professionals. It will bring Decision Makers and Opinion Leaders in Agriculture on a common platform. It is an unbiased, open, uninfluenced platform for everybody to use to their own extent.

We would like to reach farming community across India, and have their feedback. It is proposed to employ one Agriculture student for 2 months internship, who will introduce KISAN.com to the farmers and Agri professionals. Work will involve meeting Agri Traders, Farmers & professionals in your state. KISAN Team will help you with initial database.

The appointed student will be offered Monthly Rs. 5000 + Rs. 3000 for all allowances.

### **Criteria**

1. You should be internet friendly
2. Willing to travel
3. Should be an Agriculture Graduate
4. Willing to work full time
5. Should have excellent communication skills
6. Should be able to communicate in local Language, English & Hindi.
